closed area - Other professions	250 EUR

- 1) The premium target group includes the following specialties: Cardiology, dermatology, general medicine, general internal medicine, GPs, haematology, neurology, oncology, paediatrics, pulmonology, rheumatology and without specialty
- 2) The limited target group offers the possibility to differentiate target groups according to their additional designation or their specific field of activity, beyond the differentiation between practice and clinic, as well as regionally according to federal states.
- 3) This price is valid in case one or more standard target group(s) are combined with one or more premium/limited target group(s).

## Prices DocCheck Sponsored Posts

Sponsored Posts are displayed on the DocCheck start page within the stream of the user. They are placed between the editorial articles and are designed in the look and feel of the start page. Sponsored Posts are especially suited for advertising DocCheck channels or specific highlight articles within the channels. It is recommended to switch the posts regularly.

The costs are based on the following (The minimum booking volume is 1.000 EUR per campaign):

<b>Sponsored Post</b>	<b>Cost in CPM</b>
closed area	500 EUR
<b>plus</b>	<b>Cost</b>
set-up fee per post	300 EUR

## Prices DocCheck MedWords

MedWords are displayed within DocCheck Search. They are either shown to all users, health professionals or medical professionals, all within the closed area. MedWords are connected with specific search terms for ads to appear above the results of the organic search. The price consists of a Cost-per-Mille and a **set-up fee of 700 EUR**. The latter comprises the setting of the ad as well as a review and completion of the keyword lists.

<b>MedWords</b>	<b>Cost in CPM</b>
Displayed to all DocCheck users	100 EUR
Displayed to health professionals	200 EUR
Displayed to medical professionals	400 EUR
